

Title: General Statement of Fire Safety Policy

Policy Ref: FS/PO-001/v3

Date of Issue: October 2024

Policy Author: WRM

Aims:

- Ensure compliance with all relevant legislation.
- Ensure effective liaison with local fire authority where appropriate.
- Undertake suitable and sufficient fire risk assessments of all premises and activities within premises under our control.
- To identify and implement reasonable practicable control measures to control risks from fire.
- Include the management of fire safety as a specific responsibility of managers at all levels.
- Ensure this policy is understood and implemented throughout the organisation.
- Involve employees in fire safety management decisions through consultation and co-operation.
- Maintain workplaces under our control in a condition that is safe and without risk to health.
- Regularly review compliance with the policy and the management system that support it.
- Provide sufficient information, instruction and supervision to enable all employees to avoid hazards and contribute to their own health and safety at work.
- Ensure that employees receive appropriate training and are competent to carry out their designated responsibilities.
